

## Grants by Grant Cycle

Grants matching your search for **2000-01 Used Oil Grants for Non-Profit Organizations (UNP4 )**

### Alameda County

**Grantee:** Sports Car Club of America

**Amount Awarded:** \$199,860.00

**Grantee Contact:** Terry Taylor

**CalRecycle Grant manager:** Anna Ward

**Project Summary:** Continuation of the highly visible and effective Race to Recycle Oil Racing Series through 2002 at major road racing facilities throughout the State, promoting recycling of oil and idea of using remanufactured oils. Major sports marketing campaign to change attitudes and behaviors as sought by the CIWMB.

*Total Awarded for County:\$199,860.00*

### Los Angeles County

**Grantee:** Heal the Bay

**Amount Awarded:** \$189,043.00

**Grantee Contact:** Ms. Mary Leath

**CalRecycle Grant manager:** Pat McDermott

**Project Summary:** Heal the Bay proposes to expand our multimedia and community outreach campaign which targets `do-it-yourself` motor oil changers in Los Angeles County`s Spanish-speaking community, to encourage proper disposal of oil.

**Grantee:** Santa Monica Bay Restoration Project

**Amount Awarded:** \$182,293.00

**Grantee Contact:** Ms. Grace Lee

**CalRecycle Grant manager:** Anna Ward

**Project Summary:** The SMBRF is proposing to implement a bilge pad exchange program in LA County harbors (I .e., Marina del Rey, Redondo Beach, LA, and Catalina) to reduce the discharge of oily bilge water. An educational outreach program will complement the program. The promotion of re-refined oil and a used oil forum for the boating community will also be conducted.

**Grantee:** University of California, Los Angeles

**Amount Awarded:** \$198,500.00

**Grantee Contact:** Ms. Renee Ebert

**CalRecycle Grant manager:** Pat McDermott

**Project Summary:** UCLA Media Center and the Environmental Media Association will conduct a celebrity featured public outreach campaign to educate consumers about the importance of using re-refined motor oil and the proper disposal of used motor oil. The campaign seeks to develop the re-refined consumer market statewide.

*Total Awarded for County:\$569,836.00*

### Orange County

**Grantee:** Blue Planet Foundation

**Amount Awarded:** \$155,916.00

**Grantee Contact:** Ms. Sharon Lien

**CalRecycle Grant manager:** Alan White

**Project Summary:** This project is composed of two equally important elements. The first includes updating the evaluation Guidebook, presenting three interactive workshops and providing one-on-one assistance to grantees in evaluation used oil recycling activities. The second component includes expanding and enhancing local used oil efforts through school education activities, community events and outreach, and establishing a model program resource center.

**Grantee:** Boys & Girls Club of Tustin

**Amount Awarded:** \$99,133.00

**Grantee Contact:** Mr. Cliff Polston

**CalRecycle Grant manager:** Alan White

**Project Summary:** As part of our agencies Environmental Education Program, we plan to monitor the existing certified oil recycling centers in our community on a quarterly basis. Our staff will also develop and implement interactive activities geared toward educating our youth and their relatives about the dangers of improperly managed oil products and their effect on the environment. In addition, project staff will design and distribute bilingual recycling brochures and oil recycling containers to the general public at community events, door-to-door, auto-part stores, club open houses, and special school events at least once a month for the duration of the grant period and thereafter.

**Grantee:** Surfrider Foundation

**Amount Awarded:** \$237,600.00

**Grantee Contact:** Mr. Matt McClain

**CalRecycle Grant manager:** Alan White

**Project Summary:** The Surfrider Foundation, in association with the Earth's 911 and San Francisco NBC affiliate, KRON, and with support from the County of Santa Cruz, proposes to develop a focused, regional and statewide, multi-media public outreach campaign to encourage and promote convenient recycling alternatives to the improper disposal of used oil. The campaign will include newly-developed public service announcements called 'Your Personal Plant Tips', run primarily during prime-time news broadcasts on network KRON television stations, and consistently on KRON's Internet gateway website. 'Your Personal Planet Tips' will then be distributed statewide to local recycling coordinators and volunteer Surfrider Foundation chapters.

*Total Awarded for County:\$492,649.00*

## **Sacramento County**

**Grantee:** Water Education Foundation

**Amount Awarded:** \$91,060.00

**Grantee Contact:** Sue McClurg

**CalRecycle Grant manager:** Dana Stokes

**Project Summary:** An educational poster will be produced which shows how oil impacts watersheds - 14,000 will be distributed. An educational slide card will be distributed also. Approximately 130,000 will be provided to key audiences.

*Total Awarded for County:\$91,060.00*

## **San Bernardino County**

**Grantee:** American Truck Historical Society

**Amount Awarded:** \$160,803.00

**Grantee Contact:** Ms. Diane Christensen

**CalRecycle Grant manager:** Anna Ward

**Project Summary:** This project will bring used oil and filter recycling education information to a group of antique truck Do-It-Yourselfers (DIYs) and to the Southern California swap meet DIYs via the American Truck Historical Society - Southern California Chapter. This grant will provide funding for equipment, educational media such as flyers, promotional ads in magazines and newspapers, radio advertisements, banners, printing costs and promotional items displaying the 1-800-CLEANUP recycling information phone number. If funded, this grant will complement used oil and filter recycling education efforts in LA, Orange, Riverside, San Bernardino and San Diego Counties and will help enhance the market for re-refined oil through promotional activities.

*Total Awarded for County:\$160,803.00*

## **San Diego County**

**Grantee:** I Love A Clean San Diego

**Amount Awarded:** \$92,364.00

**Grantee Contact:** Ms. Trish Wundrow

**CalRecycle Grant manager:** Cheryl Williams

**Project Summary:** To provide environmental educational programs and community outreach to citizens of San Diego County (primarily in the unincorporated areas of the County, City of Chula Vista and the City of Oceanside and in areas where services are not available) on used oil recycling. ILACSD will provide these communities with vital information and resources necessary to recycle used motor oil and prevent illegal dumping.

**Grantee:** Solana Recyclers, Inc.

**Amount Awarded:** \$241,800.00

**Grantee Contact:** Ms. Rita Spiegel

**CalRecycle Grant manager:** Cheryl Williams

**Project Summary:** The regional program has 3 components, including: part 1 - Rural Ag Event: will be a partnership with the Co. of SD and the SD Farm Bureau to coordinate two `ag` events for used motor and oil filters. Part II - Promotion of Re-refined Oil to Local Municipalities and Commercial Fleets: will address local municipality`s use, or not, of re-refined motor oil in their fleets. Part III - Promotion/Education of Used Motor Oil and Oil Filters, with an emphasis on the Hispanic Community: will be a public education campaign directed to DIY`s regarding recycling their used motor oil and oil filters. Conducted in both English and Spanish, the primary emphasis will be focusing on the Hispanic Community throughout the Co of SD.

*Total Awarded for County:\$334,164.00*

## **Santa Barbara County**

**Grantee:** Community Action Commission of Santa Barbara County

**Amount Awarded:** \$197,867.00

**Grantee Contact:** Ms. Marie Hayes

**CalRecycle Grant manager:** Eric Brown

**Project Summary:** The CACSB requests funds to continue to effectively reduce illegal disposal of used oil throughout Santa Barbara County via extensive outreach. Our project will include: 1) maintaining the certified oil collection centers in Lompoc and Goleta, 2) establishing a 3rd and 4th non-certified oil collection center in North County, 3) educational workshops with bilingual/bicultural presentations, 4) door-to-door marketing of the project`s educational component, 5) distribution of used oil `transporters`, mats, filter bags, and 6) continuation of the boater outreach component to address illegal gas/oil dumping in Cachuma Lake, the County`s major drinking water supply. Funds are also requested for equipment, promotional materials, training and staff for the grant term that expires 9-30-2002.

**Grantee:** Community Environmental Council

**Amount Awarded:** \$231,710.00

**Grantee Contact:** Ms. Jenny Phillips

**CalRecycle Grant manager:** Eric Brown

**Project Summary:** The Community Environmental Council (CEC) will 1) develop and provide improved oil collection opportunities for small farmers in Santa Barbara County; 2) implement a targeted Latino education/outreach program; 3) develop and implement an absorbent pad distribution and collection program for Santa Barbara boaters; and 4) establish a Central Coast Chapter of the California Clean Boating Network (with Save Our Shores).

*Total Awarded for County:\$429,577.00*

## **Santa Clara County**

**Grantee:** Bay Area Action

**Amount Awarded:** \$203,749.00

**Grantee Contact:** Ms. Tammy Witschger

**CalRecycle Grant manager:** Darrin Okimoto

**Project Summary:** Raise awareness of the need to properly dispose, recycle, or reduce used oil and HHW and increase participation at the Santa Clara County HHW program through implementation of a comprehensive community outreach and public education program.

*Total Awarded for County:\$203,749.00*

## **Santa Cruz County**

**Grantee:** Ecology Action, Inc.

**Amount Awarded:** \$249,970.00

**Grantee Contact:** Mr. Kurt Hurley

**CalRecycle Grant manager:** Jeffrey Lin

**Project Summary:** Ecology Action (EA) proposes to establish 4 agricultural oil collection centers in the target region to serve small growers who currently do not have a system in place to efficiently recycle their used oil. EA also proposes to implement a temporary oil collection service and amnesty program with small growers to alleviate stockpiles of illegally stored used oil. A focused grower outreach program will promote the new services throughout the region to maximize participation rates. All used oil collected under the proposed program will be tested for PCB contamination before it is accepted. The program will benefit the region in a cohesive fashion, engaging all of the community stakeholders involved in preventing used oil pollution on or around small farms.

**Grantee:** O`Neill Sea Odyssey

**Amount Awarded:** \$22,739.00

**Grantee Contact:** Mr. Dan Haifley

**CalRecycle Grant manager:** Eric Brown

**Project Summary:** O`Neill Sea Odyssey will work with the current regional partners involved in used oil and household hazardous waste pollution prevention education programs: Ecology Action of Santa Cruz, the City of Santa Cruz, and the County of Santa Cruz. The target audience of this grant will be youths, their parents, teachers, and group leaders, who will use the Santa Cruz Harbor and the Monterey Bay National Marine Sanctuary, but who are not boaters. O`Neill Sea Odyssey would utilize this grant to accomplish two objectives: 1) distribute HHW and used oil education materials produced by existing community partners under an existing CIWMB grant, and 2) provide for a second watershed model, replacement parts, liquid materials and tables.

**Grantee:** Save Our Shores

**Amount Awarded:** \$184,999.00

**Grantee Contact:** Mr. Alan Romero

**CalRecycle Grant manager:** Anna Ward

**Project Summary:** Save Our Shores proposes to establish a regional used oil collection infrastructure and education program in underserved areas within Santa Cruz, Monterey, San Luis Obispo, and Santa Barbara Counties; through installation of collection facilities and strong education and outreach.

*Total Awarded for County:\$457,708.00*

## **Sonoma County**

**Grantee:** Bilingual Broadcasting Foundation, Inc.

**Amount Awarded:** \$204,125.00

**Grantee Contact:** Ms. Maria Fincher

**CalRecycle Grant manager:** Darrin Okimoto

**Project Summary:** The Foundation will expand upon its educational outreach campaign to Spanish-speaking residents by creating a traveling display and mascot and conducting events throughout its broadcast area including portions of 18 counties, and will provide assistance and coordination to local jurisdictions conducting used oil outreach efforts to the Hispanic community. Program elements include radio advertisements and on-air programming on the Foundation's station KBBF; distribution of printed materials; a live hotline at 888-345-9891; and outreach at events throughout the region.

*Total Awarded for County:\$204,125.00*

## **Tulare County**

**Grantee:** Community Services & Employment Training, Inc.

**Amount Awarded:** \$166,858.00

**Grantee Contact:** Mr. Mike Anderson

**CalRecycle Grant manager:** Jeffrey Lin

**Project Summary:** C-SET is proposing to provide used oil recovery to the Agricultural Community of Tulare County by providing convenient mobile collection through public outreach/education activities.

*Total Awarded for County:\$166,858.00*

## **Ventura County**

**Grantee:** City of Ventura

**Amount Awarded:** \$170,287.00

**Grantee Contact:** Ms. Avie Guerra

**CalRecycle Grant manager:** Cheryl Williams

**Project Summary:** El Concilio's Used Oil Recycling Program targets Latino's throughout Ventura County by conducting bilingual (English/Spanish) community outreach and education regarding used oil. Latino do-it-yourselfers are targeted within their neighborhoods and worksites. Elementary and junior high school children are given school presentations as well as taken on fieldtrips to the Del Norte Recycling & Transfer Station to learn the importance of recycling and environmental preservation. Massive media outreach is also planned throughout the year at various targeted community events/sites in addition to Spanish radio, television and newspaper advertisement.

*Total Awarded for County:\$170,287.00*

**Grant Count:** 20

**Grand Total for Selected Counties: \$3,480,676.00**
